

JNANA VIKASA EDUCATION TRUST (R)
CHINNAKURALI
Pandavapura Taluk, Mandya District, Karnataka
State.

ANNUAL REPORT FOR THE YEAR 2018-19

Jnana Vikasa Education Trust was established in the year 1996 with an intonation of establishing centers of education and welfare for children in general and deaf and dumb children and Mental retardation in particular. The Trust has been actively pursuing the above objectives since its inspection and has been making a study progress after year. A Brief Report of the activities of the during the year is given below.

RURAL HIGHER PRIMARY SCHOOL:

One of the important programmers of the Jnana Vikasa Education Trust has been the establishment of a rural primary and Higher Primary School at Chinakurali .This School is giving good education to about 350 rural children from about 26 surrounding villages. The standard-wise and village-wise strength of the students at the Jnana Vikasa Higher primary School.

RESIDENTIAL SCHOOL FOR SPEECH & HEARING:

Realizing the need of a separate residential school for deaf and dumb children, Jnana Vikasa Education Trust started a Residential school for deaf and dumb children in 2003-04. In the beginning about 25 children were enrolled in the school. In 2006-07 about 42, 2010-11 year extended were benefited 90 these children coming from all parts of Karnataka are provided with

hearing aids as donation from the public. So for expenditure by the Trust on this account and 2014-15. Grants Receiving Govt. Of Karnataka and 12 students expenditure from MCKS TRUST FUND Bangalore. Up to this year running the school from Govt. Grant.

COMPUTER TRAINING:

Computer Knowledge is a must in these days to get into any job. Realizing the lack of opportunities for rural girl students to be on par with their counterparts in the cities, Jnana Vikasa Education Trust has organized a free six -month's training course in Computers to impart basic skills in computing. This Programme has helped them to a great extent.

SKILL DEVELOPMENT TRAINING:

In addition to the free education provided to the girl students from the rural areas, they are also given an opportunity to undergo training in various vocational skills like, Nursing care development for two years courses under the Bharath seva samaja with our trust.

AWARENESS PROGRAMMES:

Two day Awareness Generation programmers have held by the organization in and around Chinakuralli during which the women participants are made aware of the Laws enacted for their protection against dowry Harassment, sexual harassment, HIV prevention, role of women in the society etc. There was a good response for these programmers.

SANTHWANA MAHILA SAHAYAVANI KENDRA:

Conducted the above programs from the Jnana Vikasa Education Trust and also the year of 2007-08 to provide facilities to women's and in this regards we accept permission from the state Government and commenced a "Santhwana" Women's helping voice center at Pandavapura Town on 20-11-2007 and it is also converted a one of the model center to provide conciliation to suffering Women's also. And also engaged some hardness to provide literacy to uneducated one from it is also brought to your kind notice. And Receiving Grant from Govt of Karnataka, Dept of women and child Development.

VIOLENCE:

This is the programme for family dispute, under this programme .We solve the dowry problems, family dispute for maunders standing, abusing the girls, violence of females alcoholic problems, etc. of they are not oblige we send them to court for justice.

CONSUMER PROGRAMME:

Jnana Vikasa Education Trust has been entrusted with the task of running a consumer awareness programme by under the trust this programmers enter Taluk backward villages' people to awareness Keeping this aspect.

CULTURAL PROGRAMME:

Jnana Vikasa Education Trust has been entrusted with the task of running a culture programme of Dance, Bharathanatya, drawing, singing, stables Etc. under the trust This programmers keeping this aspect.

NATIONAL FESTIVALS:

Independence Day was celebrated on 15-08-2017 in the instituting run by the organization and the students of all the institutions participated in the celebrations. The president Smt. Tholasamma presided over the function in which many cultural programmers were presented by the students.

Teacher's Day was celebrated by the organization in the institutions run by it. The students presented many cultural programmers for their teachers. Secretary of the organization Sri Govindaraju president over the function. Sports activities were also conducted for teachers on the occasion.

On October-2, 2018, Gandhi Jayanthi was celebrated. Smt. Tholasamma president over the celebrations in which the chief Guest Sri.Yograju delivered a speech. Students and teachers of the institutions participated in the function. Sweets were distributed at the function.

Republic Day was celebrated by the organization on 26th Jan 2019. Sri Govindaraju secretary, JVET, president over the function. Many cultural programmers were also arranged on that day.

Many other festivals like the children's Day, Kannada Rajyothsava and Dasara were celebrated in the organization and the students performed cultural programmers on all those occasions. With the ideal of reaching out to the need deaf and dumb children the organization has given wide publicity in the state newspapers detailing the free facilities made available to such students in the institution specially run for them. This has had considerable effect in improving the strength of children in the school. Physically Handicapped Day was celebrated in the

school and the Dept. of disabled welfare organized sports for the children. Many of our students participated in the events and have won prizes.

“UJJAWALA” ANTI TRAFFICKING NETWORK AND REHABILITATION PROGRAMME FOR WOMEN AND CHILD:-

We also held various programs to women and children from our trust, together with founding of trafficking group of women and children to self-help groups of women society executive members, Anganavadi activist, and including school teachers and including very positively attracting the public's through this program. Because the above said women and children trafficking group are very high in the Mandya dist but unfortunately the government will not provide any attention about this and the government will be sanctioning some of grants is possible to encouraging this, but neglected this in Mandya district a witness of the same. But it is utilized by the trust and it is also raising of trust proud and status and in connection our trust expenses. But the above said program is decided to conduct by our trust in the all over the district and in this regards the annual expenses of Rs. Nil. Will be also need to this. And they said point of the subject will be brought to public attention as per this.

AWARENESS PROGRAMMES IN BIO FUEL:-

Awareness Generation programmers have held by the organization in and around Pandavapura during which the all category peoples participants are made aware of the BIO FUEL, There was a good response for these programmers.

SERVICE OF THE SENIOR CITIZEN:-

We granted permission year of 2011-12 from the women and children welfare department for the purpose of issuing of senior citizen identification card at Pandavapura Taluk Mandya dist. And in this connection we left to each and every house and found the senior citizens and conducted the blood group examination and issued the senior citizen identification card for the 5,800 members and in this circumstance we found very poor senior citizens and sanctioned monthly pensions and who have family problem in our home, we conducted family counseling then re-integrated with our family also. We also commenced and started day care centre in the limit of 1km surrounding of Pandavapura town and also providing the daily news papers reading, T.V. watching and providing with leisure hour's coffee & tea facilities also and Short-Stay Home have been made to the senior citizens in very difficult conditions. Providing this facility is in the mind of the senior citizen of the trustees who are not satisfied and started to the Old Age Home in the 25 senior citizens we expenses in this connection Rs.50,000/- from our trust.

AWARENES PROGRAMME IN ORGANIC FORMING:

Awareness Programme in Organic Forming in a village Area due to the Advantage of organic forming and effect of the Chemical Form. Recently Developed the Technology, because as the Formers Depended the Technology. It is effected the Fertilization land. So we have Aware the Formers are Avoid the Chemical System of Agriculture. To provide the Information Advantage of the Organic Forms. Organic Forms of the Horticulture Forming. As the physically strong as the Formers. Earning the good products. Increase the Economic Power.
